

Riverside Meeting Nearing Capacity; Space Still Available in Sacramento

Second Notice

The State Water Resources Control Board (State Water Board) and the Department of Resources Recycling and Recovery (CalRecycle) will jointly host an education and outreach meeting regarding land application of compostable materials. All attendees are required to sign in and register through CalRecycle at [2016 Land Application Meeting](#). The agendas and other information are posted at our [Public Meeting Notice](#) webpage.

The purpose of this meeting is to provide an overview of regulatory requirements and education and outreach regarding land application of compostable materials in California. This meeting is open to all and is intended for the regulated community and broader stakeholder groups.

Meeting times and locations are:

Sacramento, California:

Tuesday, June 14, 2016, 9:30 a.m. – 12:00 p.m.
CalEPA Building, Byron Sher Auditorium, 2nd floor
1001 I Street, Sacramento, California 95814

Riverside, California:

Thursday, June 23, 2016, 9:30 a.m. – 12:00 p.m.
California Tower Building, Highgrove Room
3737 Main Street, Suite 500, Riverside, CA 92501-3348

The Riverside meeting is nearing capacity. If it reaches capacity, there will only be enough space for attendees with a confirmed registration (check your email for a confirmation from Tomi Amundsen amundseh@csus.edu). Additional registrants will be given the option of placing their name on a wait list. There is still ample capacity available for the Sacramento meeting.

***A discussion on the development of performance measures for the implementation of the State Water Board's Compost General Order will follow these meetings. These discussions are scheduled to begin at 1:00 p.m. at the same location. **It is not necessary to register for the afternoon discussion, however, please be aware, seating availability in Riverside may be limited.**
